This is Regina.

Kyle Moring
00:14
Hi, Regina. My name's Kyle Moring. I was just trying to follow up on a couple emails that I had sent Mr. Ankrum and Ms. Barrett.

Regina Reynolds, Administrative Assistant
00:26
Okay, just a moment.

Kyle Moring
00:27
Thanks.

John Ankrum, City Building Official
00:36
Building inspection, this is John.

Kyle Moring
00:37
Hi John this is Kyle Moring I'm just trying to follow up on some emails I sent you over the last couple days about the TLE remodel at Walmart

John Ankrum, City Building Official
00:50
Yeah what what what year was that done?

Kyle Moring
00:53
It's going on right now

John Ankrum, City Building Official
00:56
Oh they are doing a remodel right now?

Kyle Moring
00:59
Yeah that's what Oh oh that's what I said in the email.

John Ankrum, City Building Official
01:03
Oh okay. Um nah I don't have anything well I don't know I gotta go down there I am going to have to go down there and see what they are doing. I don't know if that was part of the big remodel that they did which was.

Kyle Moring
01:11
It's not, it's not.

John Ankrum, City Building Official
01:13
Oh okay okay yeah i'm gonna have to go down there and see what's going on then

Kyle Moring
01:16
Yeah and they've been doing like you know I've seen visible documented hot work being done they've got it to where there's partition with just plastic sheet and plywood separating from

John Ankrum, City Building Official
01:28
Mhm

Kyle Moring
01:29
the cars getting serviced next to it to the actual work being done in the other bay. And this is like the third set of contractors. They've had RVs staying out back and they just keep rotating in and out.

John Ankrum, City Building Official
01:39
Mhm. Okay, yeah, I'm gonna go down there today and check it out I appreciate you giving me a heads up

Kyle Moring
01:43
Yeah, um I'll probably check back in with you just to see you know what happened. um But there's one thing. When you walk into Automotive and you turn to the left

John Ankrum, City Building Official
01:53
Yeah.

Kyle Moring
01:54
There's a fire um like you know just to pull on, a fire alarm,

John Ankrum, City Building Official
01:59
Yeah

Kyle Moring
02:00
there's a key dangling from that. And I know that's not you know that's not up to code. Like.

John Ankrum, City Building Official
02:06
Yeah. Okay. You you you said it's what's dangling from it? A key?

Kyle Moring
02:12
Yeah like the actual key to turn it off.

John Ankrum, City Building Official
02:15
Oh okay. Okay. All right. Okay yeah I'll go by there today and check it out and see what they got going on over there.

Kyle Moring
02:20
All right. I appreciate it.

John Ankrum, City Building Official
02:22
Thank you, I appreciate it.

Kyle Moring
02:23
Bye-bye.

John Ankrum, City Building Official
02:24
Bye.
