Mr. Vine,

This submission is directed to you in your capacity as City Manager for administrative review.

Attached is a PDF binder titled "2026-01-11 – City of Mount Pleasant - Request for Review (Rob Vine)". It consolidates: (1) a procedural request that communications concerning my ethics complaints and supporting materials be handled through a neutral channel; (2) clarification that I am requesting your administrative review of City inspection and related records already in the City's possession (and the associated records-governance, permitting/inspection, valuation/appraisal, and transparency concerns raised); (3) a summary of MPPD-related concerns regarding my September 2025 child-safety report and the October 22, 2025 criminal trespass, including specific preservation and audit-trail requests; and (4) an enclosure list identifying the referenced supporting documents.

Per your request, I will drop off a USB flash drive at City Hall tomorrow (time TBD). The USB will contain the supporting documents referenced in the binder and this email, as well as additional summary materials intended to assist with review. Please advise who should receive the USB and confirm that you will acknowledge receipt in writing.

If it would be helpful, I am available to meet or schedule a call to walk through the materials and answer questions. I recognize this is a complex matter and may be more manageable to address in segments.

Respectfully submitted in good faith,

Kyle Moring
