Mr. Vine,

Per my prior submissions, I am providing a USB flash drive (USB-A/USB-C compatible) containing a curated, limited set of supporting records organized to support your administrative review and oversight. I dropped the USB off at City Hall today at approximately 1:30 p.m. and provided it to Karina for delivery to you.

The USB is structured to align with the two PDFs at the root of the drive:

- 2026-01-11 – City of Mount Pleasant – Request for Review (Rob Vine).pdf
- 2026-01-12 – City of Mount Pleasant – Regulatory Compliance Memorandum.pdf

To avoid overwhelming you with volume, this initial USB drive contains only a targeted subset of the available materials. If, after reviewing the binder and memorandum, you would like additional underlying records, longer correspondence threads, or supplemental supporting materials, please identify what you want expanded, and I will provide a follow-up delivery.

A README.txt file is included at the root of the USB summarizing the folder structure and how each folder ties back to the overall issues presented for administrative review.

Separately, I reviewed the upcoming City Council agenda and wanted to acknowledge the scope of items scheduled for consideration, including building and fire code matters. I recognize the effort involved in advancing changes intended to improve City processes and standards.

Please let me know if you have any additional questions. I will make myself available as needed.

Respectfully submitted in good faith,

Kyle Moring

Subject: Request for Review – Submitted to You for Administrative Oversight

CAUTION: [EXTERNAL EMAIL]

Mr. Vine,

This submission is directed to you in your capacity as City Manager for administrative review.

Attached is a PDF binder titled "2026-01-11 – City of Mount Pleasant - Request for Review (Rob Vine)". It consolidates: (1) a procedural request that communications concerning my ethics complaints and supporting materials be handled through a neutral channel; (2) clarification that I am requesting your administrative review of City inspection and related records already in the City's possession (and the associated records-governance, permitting/inspection, valuation/appraisal, and transparency concerns raised); (3) a summary of MPPD-related concerns regarding my September 2025 child-safety report and the October 22, 2025 criminal trespass, including specific preservation and audit-trail requests; and (4) an enclosure list identifying the referenced supporting documents.

Per your request, I will drop off a USB flash drive at City Hall tomorrow (time TBD). The USB will contain the supporting documents referenced in the binder and this email, as well as additional summary materials intended to assist with review. Please advise who should receive the USB and confirm that you will acknowledge receipt in writing.

If it would be helpful, I am available to meet or schedule a call to walk through the materials and answer questions. I recognize this is a complex matter and may be more manageable to address in segments.

Respectfully submitted in good faith,

Kyle Moring
