CAUSE NO. 44437

KYLE DOUGLAS MORING,	§	IN THE DISTRICT COURT OF
	§	
Petitioner,	§	
	§	TITUS COUNTY, TEXAS
v.	§	
	§	
CITY OF MOUNT PLEASANT, TEXAS,	§	76th JUDICIAL DISTRICT
	§	
Respondent.	§	

PETITIONER'S SUPPLEMENTAL REQUEST FOR SHERIFF/CONSTABLE SERVICE OF CITATION

Petitioner Kyle Douglas Moring respectfully files this Supplemental Request for Sheriff/Constable Service of Citation.

Petitioner previously filed a Request for Issuance of Citation requesting that citation issue for service of process on Respondent, the City of Mount Pleasant, Texas. Petitioner also previously indicated in e-filing comments that he would arrange service through a private process server. Petitioner now updates that service request and respectfully requests sheriff/constable service.

Petitioner requests that the Clerk issue civil citation for service on Respondent, the City of Mount Pleasant, Texas, and route the issued citation and service packet to the appropriate sheriff, constable, or other authorized officer for service after payment of the required service fee.

Petitioner requests service on Respondent by serving:

City of Mount Pleasant, Texas
through Candias Webster, City Secretary
501 North Madison Avenue
Mount Pleasant, Texas 75455

Petitioner requests that, after issuance and payment of the required service fee through the e-filing system or other method directed by the Clerk, the Clerk

forward the issued citation and service packet directly to the appropriate sheriff/constable for personal service, if local procedure permits.

Petitioner is furnishing printed service copies for formal service. The service packet furnished by Petitioner includes:

1. The file-marked Original Petition for Writ of Mandamus.
2. The file-marked Petitioner's Exhibit Binder, Volume 1 of 2, Exhibits A through I.
3. The file-marked Petitioner's Exhibit Binder, Volume 2 of 2, Exhibits J through L.

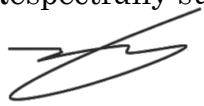

Petitioner requests that the issued citation be included with those furnished service copies and that the complete service packet be served on Respondent.

Petitioner is also providing a USB drive containing electronic copies of the same filed petition and exhibit volumes as a courtesy/reference copy only, if accepted by the Clerk or serving officer. Petitioner understands that the printed copies are being furnished for formal service and does not request that the USB drive substitute for printed service copies unless the Clerk or serving officer specifically permits that procedure.

If the Court signs an Order to Show Cause, Order Setting Hearing, or other order before service is completed, Petitioner requests that the signed order also be included in the service packet or otherwise provided for service.

Petitioner tenders or will promptly pay the required sheriff/constable service fee and respectfully requests notice if any additional materials are required.

Respectfully submitted,

Kyle Douglas Moring
