PETITIONER'S NOTICE OF OAG CLOSURE OF ADMINISTRATIVE COMPLAINT FILE OR-25-055840-IC

Petitioner Kyle Douglas Moring files this Notice of OAG Closure of Administrative Complaint File OR-25-055840-IC and respectfully shows the Court as follows:

1. On July 1, 2026, the Office of the Attorney General, Open Records Division, issued correspondence regarding administrative complaint file OR-25-055840-IC.

2. The OAG correspondence states that the OAG received 23 complaints from Petitioner alleging that the City of Mount Pleasant failed to respond appropriately to requests for information under the Public Information Act.

3. The OAG correspondence further states that because Petitioner's lawsuit against the City is pending in Moring v. City of Mount Pleasant, Cause No. 44437, 76th District Court, Titus County, Texas, the OAG will allow the trial court to resolve the issues raised in those complaints and will close its file on those matters.

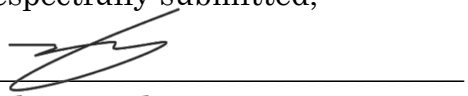

4. The OAG copied Candias Webster, City of Mount Pleasant, on the correspondence.

5. Petitioner files this Notice to update the Court regarding the status of the administrative complaint process and to preserve the OAG closure letter as procedural history relevant to this case.

6. Petitioner does not ask the Court, by this Notice alone, to review the OAG's enforcement discretion, supervise the OAG complaint process, or adjudicate any standalone cost-overcharge complaint. Petitioner reserves all rights, arguments, and remedies available under the Texas Public Information Act and other applicable law, including any cost-related rights or objections preserved in separate administrative complaints or otherwise relevant to the production issues in this case.

A true and correct copy of the July 1, 2026 OAG closure letter is attached as Exhibit 1.

Respectfully submitted,
