	§	
v.	§	TITUS COUNTY, TEXAS
	§	
CITY OF MOUNT PLEASANT, TEXAS, *Respondent.*	§	76th JUDICIAL DISTRICT

PETITIONER'S NOTICE OF FILING AND INTENT TO OFFER CONDITIONAL HEARING EXHIBIT S RELATING TO PREVIOUSLY PLEADED COUNTS VII AND IX

TO THE HONORABLE JUDGE OF SAID COURT:

Petitioner Kyle Douglas Moring files this Notice of Filing and Intent to Offer Conditional Hearing Exhibit S and respectfully shows the Court as follows:

1. The Court has set an in-person expedited hearing or submission on Petitioner's First Amended Petition for Writ of Mandamus for August 10, 2026, at 9:00 a.m. Petitioner files this Notice to give advance notice of a limited exhibit bearing on disputes already pleaded in Counts VII and IX.

2. Before submitting this filing on August 3, 2026, Petitioner electronically disclosed the identical bookmarked Exhibit S binder to Respondent's counsel by email. Petitioner also serves this Notice and attached binder through the electronic filing manager.

3. Conditional Hearing Exhibit S consists of the three source pages identified below, preceded by a cover and index. The visible source-page content has not been substantively altered; external link annotations were removed from the filing copy to avoid publishing an inactive SharePoint share token.

Exhibit	Document	Previously pleaded dispute	Binder page
S-1	August 3, 2026 SharePoint link-removal page	Count IX access and final production scope	2
S-2	OAG PIA Database search: Mount Pleasant, February 1-August 3, 2026	Count VII nonreceipt, limited corroboration	3
S-3	OAG PIA Database search: Moring, February 1-August 3, 2026	Count VII nonreceipt, limited corroboration	4

4. S-2 and S-3 are offered only to show what the public-facing OAG PIA Decision Database displayed on August 3, 2026. Petitioner does not offer them as conclusive proof that the OAG received no matter absent from the displayed results.

5. S-1 is offered only to show the access status displayed when Petitioner revisited the City-provided Agency Correspondence SharePoint link on August 3, 2026. It is not offered to prove why the link was removed or, standing alone, what the link previously contained.

6. This filing adds no count, claim, party, legal theory, or category of requested relief. It does not amend the live pleading, ask the Court to adjudicate OAG conduct, or request judicial notice of the truth of every statement displayed on the pages.

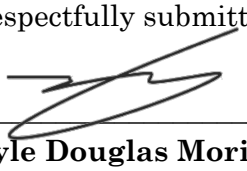

7. Petitioner relies on Exhibit S only as limited corroboration of the pleaded Count VII nonreceipt dispute and the pleaded Count IX access, completeness, final-production-scope, and accounting disputes.

8. Petitioner authenticates Exhibit S through paragraphs 9 and 17 of his contemporaneously filed Unsworn Declaration and, if the Court receives live evidence, through his testimony. Filing the documents does not itself admit them into evidence. Petitioner will formally offer them at the hearing, subject to Respondent's timely objections and the Court's evidentiary rulings.

9. If the matter is considered by submission, Petitioner respectfully requests that the Court consider Exhibit S subject to any timely objection and the Court's evidentiary rulings. In either event, Petitioner relies on Exhibit S only for the limited purposes stated in this Notice.

Petitioner respectfully gives notice of his intent to offer Conditional Hearing Exhibit S for the limited purposes stated in this filing and requests all further relief to which he is entitled on the existing pleadings.

Respectfully submitted,

Kyle Douglas Moring
Petitioner, Pro Se
