Good morning,

I misspoke. It looks like we received a list in December. I have attached an example of the permit list we typically get. We would just need December through February permits and any fire reports of damage.

Thank you.

Subject: PERMITS AND FIRE REPORTS

CAUTION: [EXTERNAL EMAIL]

Good morning,

Can you help me with this or point me in the right direction. Mrs. Reynolds used to send us the permit list each month. We have not received any since November which were the permits for October. Is there a new contact person that can send these? We also used to get fire reports but, I don t think we have received any this year. Is there a contact person for fire reports as well?

Thank you!
