Re: Public Information Request No. R032947

Dear Mr. Moring:

This e-mail is in response to your public information request to the Office of the Attorney General ("OAG"), received by the OAG on June 16, 2026.

The OAG has reviewed its files and has located the attached documents that are responsive to your request. Although the Public Information Act allows a governmental body to charge for providing documents under certain circumstances, the attached documents are being provided to you at no charge.

Please note, however, that the OAG has redacted dates of birth from the attached documents pursuant to the previous determination issued by the Open Records Division in Open Records Letter No. 2016-17399 (2016). See also Open Records Decision No. 673 (2001) (providing that Open Records Division can issue two types of previous determinations to governmental bodies).

The OAG has also withheld those documents that were submitted to the Open Records Division for review under section 552.301(e)(1)(D) of the Government Code. The OAG is prohibited by section 552.3035 of the Government Code from disclosing to the requestor or any member of the public the information that is submitted to the Open Records Division for a ruling. See Gov't Code § 552.3035.

Finally, the remaining information responsive to your request is excepted from required public disclosure. Pursuant to section 552.301 of the Government Code, the OAG has requested a ruling from the Open Records Division. A copy of our brief to the Open Records Division is attached.

If you have any questions, please contact publicrecords@oag.texas.gov.

Sincerely,

Sarah Aleman
Public Information Coordinator's Office
Office of the Attorney General
