Candias,

I got the files and see that the $72 charge was refunded and the correct $15 charge went through.

I only received two actual emails. The video.msg file is rights-protected and cannot be opened normally. Please send an unprotected copy.

That email also asks Randall Hodo to send the video directly to Chief Buhman, but I did not receive any email from Hodo to Buhman or any reply from Buhman. Please check for those records and send them today. If no such records exist, please confirm that in writing.

Also, since the invoice appears to charge one hour of labor, please send the signed statement allowed by Government Code §552.261(b) showing the actual amount of time required to produce the records.

Thanks,

[requestor]

When I called back to report the mistake and pay the correct $15, I was told Courtenay was out of the office and was the only person who could take the payment.

I am ready to pay exactly $15 today. Please have Courtenay contact me as soon as she returns or provide another way for me to pay the correct amount. Once the $15 payment is made, please email the completed records immediately.

I have already made a timely attempt to pay, so the City's payment mistake and Courtenay's unavailability should not delay the release or cause the request to be treated as withdrawn.

Please do not charge any amount other than exactly $15 for this request. Please confirm that the request remains active and that the records will be released today as soon as payment is corrected.

Thank you,

This includes the complete thread associated with each responsive email, including all original messages, replies, forwards, and attachments.

Please produce every email only in its native .msg or .eml format, with all attachments preserved in their original/native formats. Please do not convert the emails or attachments to PDF, screenshots, or printouts.

One known responsive record is:

- **Date:** October 28, 2025, at approximately 11:27 a.m.
- **From:** Amber James
- **To:** Randall.Hodo@tceq.texas.gov

That message is provided as a reference point and does not limit the request to that particular message or thread.

I do not authorize charges exceeding $40.00 without my prior written approval. If anticipated charges exceed that amount, please pause processing and provide an itemized estimate identifying the specific tasks, estimated labor hours, rates, and available methods of narrowing or reducing the cost.

Please acknowledge receipt and provide the City's tracking number.

Sincerely,
