Mr. Bailey,

I have been working with the city to get status information on all of the requests that form the basis for Mr. Moring's complaint and the city compiled a spreadsheet that lists the requests and their updated information. I have asked the city secretary Candias Webster cwebster@mtpleasanttx.gov to share the information with you as well. I also have some email correspondence that clarifies some of their information as well which I will forward to you.

Let me know if you don't receive the shared information or if you have any questions.

Thank you.

Mr. Richardson,

I have made no determinations as to Mr. Moring's complaint. I would likewise appreciate the benefit of any findings reached by your review of the matter.
