Subject	CORRECTED RE: Pilgrim's Smell Complaints

Erin was able to talk to TCEQ today on the subject of Pilgrim's. Additionally they are submitting plans for a lagoon upgrade that DRC will be reviewing, but the basic design is all controlled at the state level. It is advisable that any citizens' smell / odor complaints must come from citizens themselves directly.
That TCEQ direct phone number is 1-888-777-3186
