CAUTION: [EXTERNAL EMAIL]

Ms. Webster,

I am writing regarding the 58 pages I retrieved on September 26, 2025, in response to my records request dated September 4, 2025. Upon review, 28 pages are duplicates of documents that the City has already produced to me via the SharePoint links you provided on June 11, 2025, and June 27, 2025—for which I have previously paid.

Request:

1. Please reissue a corrected, itemized invoice (or apply a credit/refund) that removes charges for the 28 duplicate pages (i.e., 28 × $0.10 = $2.80) and any labor/overhead attributable solely to reproducing those duplicates.

2. Please confirm that, going forward, where responsive records have already been produced electronically (e.g., in the City's SharePoint), the City will provide the same electronically or reference the prior production, rather than charging again—consistent with Tex. Gov't Code § 552.228 (electronic copies when available) and the Attorney General's cost rules (1 TAC § 70.3).

For your convenience, I can provide a brief Duplicate Pages Index, which identifies each duplicated document by title/file name and page range. Please let me know if you would like it attached to this thread.

I would appreciate confirmation of the corrected total or credit by the next business day.

With gratitude,

Kyle Moring
