CAUTION: [EXTERNAL EMAIL]

Good afternoon,

This is a request for public information under the Texas Public Information Act (Texas Gov’t Code ch. 552).

Please confirm receipt and assign a PIA tracking number.

I request electronic copies (PDF/Excel/CSV preferred) of the City’s “Permits Issued Listing” (or equivalent compiled report of building permits issued) for:

- Calendar year 2024 (full year), and
- Calendar year 2025, year-to-date (current through the date of your response).

Requested data fields (if available): permit number; issue date; project address and parcel/APN; owner; contractor; project type (residential/commercial; new/remodel); description/scope; occupancy/use; valuation; fees; and status/expiration.

See: https://mpedc.org/wp-content/uploads/2024/02/Permits-Issued-Listing-74.pdf

If the records are maintained as monthly listings, please provide the monthly files for each period. If the data are maintained in the permitting system and can be exported, CSV or Excel is preferred.

If another department or system is the custodian, please forward accordingly and advise.

Delivery & costs: Please provide by email. If estimated charges will exceed $40, send an itemized cost estimate before proceeding. If any portion is withheld, please cite the specific exception(s) and release all reasonably segregable material.

Thank you for your assistance.

With gratitude,

Kyle Moring
