CAUTION: [EXTERNAL EMAIL]

Ms. Webster,

Thank you for your email regarding my November 13, 2025 request ("Public Information Request – Call Logs for (903) 575-4149 on July 18, 2025"). You indicate that this request will result in a $15 charge.

Before I decide how to proceed, would you please clarify the basis for this amount so that it is consistent with the Public Information Act cost rules:

1. **Itemization of the $15 charge**

   Please identify what the $15 represents (e.g., personnel time, copies, overhead), including the assumed hourly rate and the number of minutes billed. If copies are involved, please indicate the estimated number of pages and the per-page rate.

2. **Electronic format and retrieval**

   If the phone provider's system can generate a call detail report for July 18, 2025, for line (903) 575-- 4149 in PDF, CSV, or a similar export format, I request the record in its native electronic format. For a single day and a single line, it is not clear why a full hour of labor would be necessary; I would appreciate confirmation of which specific task justifies that amount.

Once I have this clarification, I will confirm whether to proceed with payment.

With gratitude,

Kyle Moring
