# October 27, 2025: a number match in the police call log

This is a transcription of one selected workbook row. The October 27 email thread lists Randall Hodo's cell number as (512) 298-8645. The row below uses that number as the originating number and the MPPD main number as the dialed and terminating number.

| Field | Source value |
|---|---|
| Transaction Date/Time | 2025-10-27 21:57:11 |
| Duration | 472 seconds (7 minutes 52 seconds) |
| Originating Number | 5122988645 |
| Original Dialed Number | 9035754004 |
| Terminating Number | 9035754004 |

**Clock limitation:** the workbook heading does not state a timezone. If the timestamp is UTC, it converts to 4:57:11 p.m. Central Daylight Time. That conversion is conditional, not a confirmed source time.

**What this supports:** a logged number match on October 27. It does not independently identify the person who spoke, establish whether the call connected, or establish its subject. The corresponding email and original workbook remain preserved.
