To: Titus Records records@co.titus.tx.us

Good afternoon,

Thank you for your email. This message provides the written verification/clarification you requested under Tex. Gov't Code § 552.222.

Yes – please limit the Titus County Sheriff's Office email search to TCSO emails (inclu[redacted]ments and forwarded chains) that are maintained by TCSO and that reference or relate to any of the following subjects: **(1)** MPPD Case No.[redacted] and/or **(2)** Walmart/Walmart Store #131, and/or **(3)** Kyle Moring, for the period January 01, 2025 through the date TCSO conducts its searc

For this narrowed TCSO portion, I am seeking communications where TCSO is a sender or recipient and the other party is the City of Mount Pleasant/MPPD and/or the Titus County District Attorney's Office (including DA Charles C. Bailey and DA staff), to the extent those emails are maintained in TCSO accounts/systems.

I understand that emails maintained only by the District Attorney's Office or only by MPPD (e.g., emails solely between DA Bailey and MPPD that are not in TCSO possession) would not be produced by TCSO. However, if any email originally between DA/MPPD is copied to, forwarded to, or otherwise maintained in a TCSO mailbox or file, please include it because it is maintained by TCSO.

I am not requesting TCSO emails between TCSO and me that concern matters unrelated to the subjects above. To the extent any emails between me and TCSO exist, please include only those that relate to the subjects above.

Regarding costs: I understand you referenced a $15.00/hour labor rate for searching emails. If the estimated charges to produce the responsive records are expected to exceed $40.00, please provide the written itemized statement of estimated charges required by Tex. Gov't Code § 552.2615 before work begins so I may narrow if necessary. Otherwise, please proceed with the search and rolling/partial production.

Please confirm receipt of this clarification and advise if you need anything further to proceed.

With gratitude,

Kyle Moring

Subject: Re: Texas Public Information Act Request – Records/Correspondence re Kyle Moring, Charles C. Bailey, Walmart (Store #131)

Good morning,

Thank you for your response. I would like to clarify the scope of my TPIA request.

First, the request is not limited to jail booking records or a jail-management "name search." Even if my name does not appear in a jail booking system, responsive records may still exist in other Titus County repositories (e.g., email accounts/archives, shared drives, case files, investigative files, RMS/CAD, scanned attachments, exported messages, or other systems used to store communications and related documents).

Second, and importantly, the request includes communications in which City of Mount Pleasant personnel mention or discuss me to Titus County, especially to the Titus County District Attorney's Office/DA Charles C. Bailey, regardless of whether I was ever booked into the Titus County jail. In other words, I am seeking Titus County–maintained records reflecting any City personnel (including MPPD personnel but not limited to them) referencing Kyle Moring in communications with the Titus County DA's Office and/or other Titus County personnel, including in connection with Walmart/Walmart Store #131 and/or MPPD Case No. [redacted]

Regarding your note that you would need "specific dates and times and exactly who spoke with the MPPD or DA Bailey," I do not have access to internal County or City communication logs to provide exact timestamps for every call or message. The request is intentionally structured by **(1)** a defined time period (January 01, 2025 to present), **(2)** identified subjects/entities (Kyle Moring, Walmart/Store #131, Charles C. Bailey), and **(3)** the referenced case number [redacted] to enable a reasonable, good-faith search.

To assist your search, please include keyword searches for (as applicable):

- "Kyle Moring" / "Moring" / "_____ _____" / " "
- "Charles C. Bailey" / "Charles Bailey" / "C.C. Bailey" / "Chuck Bailey"
- "Walmart" / "Store 131" / "#131"
- [redacted]
- "Mount Pleasant" / "MPPD" / "Buhman" / "Odom" / "Durant" / "Nipp"

If your office is only the custodian for the Sheriff's Office records, please treat this as a request for all responsive records maintained by the Sheriff's Office, including responsive communications with the District Attorney's Office and/or the City. If records maintained solely by the District Attorney's Office are outside your custody, please provide the appropriate DA open records contact information or forward my request to that office so it is received and processed by the proper custodian.

If, after a reasonable search of the relevant systems within your office's custody, you determine no responsive records exist, please provide a written statement identifying **(1)** who conducted the search and **(2)** what system(s)/repositories were searched.

Thank you for your assistance.

With gratitude,

Kyle Moring

Subject: Texas Public Information Act Request – Records/Correspondence re Kyle Moring, Charles C. Bailey, Walmart (Store #131)

Good morning,

Pursuant to the Texas Public Information Act ("TPIA"), Tex. Gov't Code ch. 552, I respectfully submit this written request for public information. This request is directed to Titus County and encompasses records maintained by the Titus County Sheriff's Office, the Titus County District Attorney's Office, and any other Titus County department, office, official, employee, or agent that may possess responsive records.

Time Period

Unless otherwise stated below, the time period for this request is January 01, 2025 through the date Titus County conducts its search for responsive records.

I. Records Requested

A. Communications/records involving City of Mount Pleasant personnel and Walmart/Moring/Bailey

Please produce all records and communications maintained by Titus County that reflect, memorialize, transmit, or attach correspondence between any Titus County employee/official/agent and any City of Mount Pleasant employee/official/agent (including the Mount Pleasant Police Department ("MPPD")), where the correspondence references, relates to, mentions, or concerns one or more of the following:

1. Kyle Moring

2. Walmart (including Walmart Inc., Walmart Stores, Inc., Walmart Store #131, and any Walmart employees, representatives, Asset Protection personnel, management, corporate personnel, or counsel)

3. Charles C. Bailey (including variations such as "Charles Bailey," "C.C. Bailey," "Chuck Bailey," or other known variants)

This request includes responsive messages and attachments, even if Titus County was not the original sender or recipient, to the extent such items are maintained in Titus County files, accounts, or systems (e.g., forwarded emails, screenshots, exported messages, or documents saved into case files).

B. Communications/records between Titus County and Walmart/Moring/Bailey

Please produce all records and communications between any Titus County employee/official/agent and any of the following (including any attachments, enclosures, and forwarded chains):

1. Kyle Moring
2. Walmart (as defined above)
3. Charles C. Bailey (as defined above)

C. Inter-agency communications regarding Walmart/Moring/Bailey

Please produce all records and communications between any Titus County employee/official/agent and any federal, state, or local law enforcement or regulatory agency that reference, relate to, mention, or concern Kyle Moring, Walmart (including Store #131), and/or Charles C. Bailey.

D. Specific correspondence between named individuals and Charles C. Bailey (as maintained by Titus County)

Please produce all records and communications maintained by Titus County reflecting communications between Charles C. Bailey and any of the following individuals:

1. Chief Mark Buhman (MPPD)
2. Cody Odom (MPPD)
3. Chris Durant (MPPD)
4. April Nipp (MPPD)

For clarity: I am requesting the records as maintained by Titus County (e.g., correspondence that was sent to, copied to, forwarded to, received by, or later collected by Titus County in files or systems), regardless of whether Titus County was a direct participant in the original exchange.

E. MPPD-related records in Titus County possession (narrowed)

To the extent Titus County possesses, received, or maintains any records originating from or involving MPPD, I narrow this request as follows. Please produce any and all MPPD-related records, communications, correspondence, reports, notes, memoranda, dispatch logs, and documents maintained by Titus County that:

1. Reference, relate to, or concern MPPD Case No. [redacted] and/or
2. Reference, relate to, or concern Walmart (including Store #131) and/or Walmart-related matters involving Kyle Moring and/or Charles C. Bailey; and/or
3. Reflect communications between MPPD personnel (including but not limited to Chief Mark Buhman, Cody Odom, Chris Durant, and April Nipp) and Titus County personnel that discuss,

reference, or concern Case No. [redacted] and/or any Walmart-related matter.

F. Interlocal/cooperative agreements (separate time period)

Please produce any interlocal agreements, memoranda of understanding, mutual aid agreements, or other cooperative arrangements between Titus County and the City of Mount Pleasant that were in effect at any time from January 01, 2022 to the present, to the extent they relate to law enforcement services, code enforcement, or regulatory inspections.

II. Scope and Definitions

1. "Records" and "communications" include, without limitation, emails, attachments, text messages/SMS, iMessage, instant messages, messages sent via Teams/Slack/Signal/WhatsApp/Facebook Messenger or similar platforms (to the extent used for county business), direct messages used for county business, voicemail recordings and/or voicemail transcriptions, letters, memoranda, notes (including handwritten notes), call logs, meeting notes, photographs, screenshots, and any other written, electronic, recorded, or stored communications or documents.

2. This request includes responsive records maintained in any location where Titus County stores information (e.g., email servers/archives, cloud services, shared drives, case management systems, evidence management systems, mobile device backups where used for county business, or other repositories). It also includes responsive records maintained on county-issued devices and accounts, and any personal devices/accounts used to conduct county business, to the extent such information is collected, assembled, or maintained by or for Titus County in connection with official business.

3. "Walmart" includes Walmart Store #131 and any Walmart-related personnel or representatives involved in matters relevant to this request.

III. Format and Delivery

Please produce responsive records in electronic form where available, and in the format maintained or a readily exportable format that preserves available metadata (e.g., sender, recipients, date/time, subject line, and attachment names), consistent with Tex. Gov't Code § 552.228. Please deliver electronically to:

_____ _____.

If files are too large for email, please provide them via a secure download link or other electronic delivery method.

IV. Cost Estimate; Fee Waiver/Reduction; Rolling Production

If the estimated charges to produce these records exceed $40.00, please provide the written itemized statement of estimated charges required by Tex. Gov't Code § 552.2615 before work begins, so I may consider narrowing the request if necessary.

I also request a waiver or reduction of fees pursuant to Tex. Gov't Code § 552.267 on the grounds that disclosure is in the public interest and is likely to contribute to public understanding of the operations and activities of government. If Titus County declines to waive or reduce fees, please still provide the required itemized estimate before proceeding.

I consent to rolling/partial production of responsive records as they become available.

V. Response Deadlines; Exceptions; Partial Release

The TPIA requires public information to be produced promptly. See Tex. Gov't Code § 552.221. If Titus County contends that any responsive information is excepted from disclosure and intends to seek a ruling from the Office of the Attorney General, please comply with the applicable notice and deadline requirements, including Tex. Gov't Code § 552.301. Failure to timely request an Attorney General decision creates a presumption that the information is public and must be released. See Tex. Gov't Code § 552.302.

If any information is withheld or redacted, please release all reasonably segregable non-exempt portions and identify the specific statutory basis for each withholding or redaction (including the applicable section(s) of Chapter 552 and any other law relied upon). If an exception is asserted under Tex. Gov't Code § 552.108, please release any "basic information" required to be disclosed under § 552.108(c), as applicable.

VI. Preservation Notice

Please treat this request as notice to preserve all potentially responsive records. Please ensure that no responsive records are destroyed, deleted, altered, or otherwise disposed of while this request is pending, including any records subject to automatic deletion or retention limits. The destruction, alteration, or removal of responsive records after receipt of this request may implicate Tex. Penal Code § 37.10 and/or Tex. Gov't Code § 552.351.

Please confirm receipt of this request and provide any tracking/reference number assigned. If you believe any portion of the request can be clarified or narrowed to facilitate a prompt response, please contact me via email.

Respectfully submitted,

Kyle Moring
