Thank you sir.

Let me know what your plans are for the confirmed acm mastic on the hvac once you talk to your consultant.

This email included the "ES#25-476 Limited Asbestos Inspection" survey that was sent by the contractor to the inspector. This exact same survey is attached to the "Mobile Insp 56114" report provided in this email (pages 69-91). The file was too big to attach them again.
