CAUTION: [EXTERNAL EMAIL]

TEXAS OPEN MEETINGS ACT (TOMA) NOTICE: To avoid any inadvertent Texas Open Meetings Act concerns, please do not "Reply All" and do not forward this email to other Council Members. Please direct any response to the City Secretary /Records Management Officer (and/or the City Manager), with a copy to the undersigned.

Good morning,

Attached for your review are the following documents concerning the October 28, 2025 joint inspection at Walmart Store #131 (2311 S. Jefferson Ave.) :

1. Escalation Letter (dated December 22, 2025) outlining material discrepancies between the City's HSCloud inspection record (marked "Passed") and DSHS Inspection #310327 , as well as unresolved records issues related to FS-473844 .

2. Exhibit – Photo Crosswalk , which maps DSHS inspection observations to both DSHS and City-produced photographs and identifies where the City's own photo evidence appears to corroborate DSHS-documented conditions that are not reflected in the City's HSCloud record.

In addition to reconciliation of the October 28, 2025 inspection entry, I respectfully request that any Council agenda item be framed as a policy action item focused on:

- Establishing a standardized inspection record storage and retention process within HSCloud and related City systems

- Implementing public-facing transparency for inspection reports consistent with Chapter 96 and comparable to peer HSCloud jurisdictions (e.g., NET Health's inspection report portal model)

- Formalizing and publishing a standardized inspection rule set and documentation/scoring methodology for future food inspections based on the City's existing adoption of the Texas Food Establishment Rules (TEFR) and

any additional standards the City elects to apply

I respectfully request a written response that identifies corrective actions and their implementation timelines.

Respectfully submitted in good faith,

/s/ Kyle Douglas Moring
