To Whom It May Concern,

I am writing to request a status update regarding my Freedom of Information Act (FOIA) request, Request No. 2026-EPA-00386, submitted on October 23, 2025. To date, I have not received an acknowledgment or substantive response.

I understand this request was submitted during the lapse in federal funding and that processing and communications may have been delayed as a result. With that in mind, I would appreciate any available update on the request's current status, including:

- Whether the request has been received and logged into your tracking system;
- Whether an acknowledgment letter has been issued (and, if so, when it was sent);
- The current processing stage and any estimated timeframe for a determination; and

- Whether any additional information is needed from me to proceed.

If there is a preferred method for obtaining status updates (e.g., a portal, a point of contact, or a reference format), please let me know, and I will follow that process.

Thank you for your attention to this matter.

With gratitude,

Kyle Douglas Moring
