	During and after the Tire & Lube Express (TLE) remodel at Walmart Supercenter #131 (2311 S. Jefferson Ave., Mount Pleasant, TX 75455),

Violation Description *	contractors repeatedly dumped buckets of a powder-like material into an open, unlocked roll-off dumpster located upslope of a grassy swale with a concrete stormwater/wastewater drop inlet on the south side of the TLE. A heavy rain on 10/18/2025 contacted the waste while the dumpster was uncovered; as of the morning of 10/20/2025 the same condition remained. Work appeared to include sandblasting/grinding and repainting, which generate fine particulates likely present in the waste. The situation presents a potential unauthorized discharge of industrial wastewater/pollutants via runoff to the inlet. Photos and video are available upon request. This is supplement to original complaint.
