Tip or Complaint: On August 7, 2025, I observed and photographed a recently removed commercial refrigeration unit abandoned in the rear outdoor area of Walmart Store #131 in Mount Pleasant, Texas (2311 S. Jefferson Avenue). The unit was used for open-air food storage and was taken from the sales floor during the store's ongoing remodeling project. It is now sitting unsecured and exposed to the elements, with no indication of proper environmental handling. Key concerns include: • No refrigerant recovery tag or documentation as required by 40 C.F.R. § 82.156(f); • Uncapped and exposed refrigerant lines, indicating refrigerant may still be present or was released improperly; • Exposed insulating foam, which may contain HCFCs or HFCs, with no signs of proper removal or containment; • Price tags and
