KM

Ms. Bradford,

I am writing to follow up on my EPA FOIA request, Request No. 2026-EPA-00386, originally submitted on October 23, 2025.

On January 16, 2026, Ryan Dominguez (National FOIA Office) advised that my request had been assigned to you and that you would respond directly. As of today, Friday, January 30, 2026, I have not yet received an acknowledgment or substantive status update.

When convenient, would you please provide an update on the request's current status, including:

- Confirmation that the request has been received and logged
- Whether an acknowledgment letter has been issued (and, if so, the date it was sent)
- The current processing stage and any estimated timeframe for a determination and/or production
- Whether any additional information, scope clarification, or fee-related action is needed from me to proceed

If helpful, I am happy to resend the original request materials or any additional identifying details. I would also appreciate a brief confirmation that this follow-up has been received.

Thank you for your time and assistance.

With gratitude,

Kyle Moring

Thank you for checking the status of your FOIA Request with EPA.

Your request was assigned to Deanna Bradford, who is copied on this email and will respond directly to you.

Thank you for your interest in EPA.

All the best,

Ryan Dominguez

To Whom It May Concern,

I am writing to request a status update regarding my Freedom of Information Act (FOIA) request, Request No. 2026-EPA-00386, submitted on October 23, 2025. To date, I have not received an acknowledgment or substantive response.

I understand this request was submitted during the lapse in federal funding and that processing and communications may have been delayed as a result. With that in mind, I would appreciate any available update on the request's current status, including:

- Whether the request has been received and logged into your tracking system;
- Whether an acknowledgment letter has been issued (and, if so, when it was sent);
- The current processing stage and any estimated timeframe for a determination; and
- Whether any additional information is needed from me to proceed.

If there is a preferred method for obtaining status updates (e.g., a portal, a point of contact, or a reference format), please let me know, and I will follow that process.

Thank you for your attention to this matter.

With gratitude,

Kyle Douglas Moring
