The Honorable Nathaniel Moran
U.S. House of Representatives
Washington, D.C. 20515

Dear Representative Moran:

Thank you for your inquiry on behalf of your constituent, Mr. Kyle Moring, regarding concerns about alleged ongoing workplace safety and health hazards at Walmart Supercenter #131 in Mount Pleasant, Texas. The Occupational Safety and Health Administration (OSHA) takes such matters very seriously.

On August 19, 2025, OSHA's Dallas Area Office initiated an inspection of Walmart Supercenter #131 in Mount Pleasant, Texas, in response to Mr. Moring's allegations of workplace safety and health hazards (OSHA Inspection No. 1845692). Following a thorough investigation, OSHA was unable to substantiate any alleged violations of OSHA standards. The inspection was officially closed on February 17, 2026, with no citations issued to the employer. A close-out letter documenting these findings was subsequently sent to Mr. Moring.

During OSHA's inspection, Mr. Moring raised additional concerns. Although these matters did not warrant opening a new inspection, they were evaluated through OSHA's inquiry procedures (OSHA Complaint No. 2348319). The employer provided adequate responses, and no further action was required.

Mr. Moring may request redacted copies of OSHA's inspection and complaint files under the Freedom of Information Act (FOIA).

Thank you for your interest in this matter. I hope this information addresses your questions regarding OSHA's activity related to Walmart Supercenter #131 in Mount Pleasant, Texas. Should you need additional information, please contact the Office of Congressional and Intergovernmental Affairs at (202) 693-4600.

Sincerely,
