Re: FOIA Appeal No. 2026-A-00128

Dear Mr. Moring:

This decision is in response to your April 10, 2026 letter, appealing, under the Freedom of Information Act (FOIA) the January 16, 2026 determination of Gregory Wynn, Area Director, Occupational Safety and Health Administration (OSHA), Dallas Area Office. You requested records concerning Walmart Inc., DBA Walmart Supercenter #131, Inspection 1845692. OSHA denied your request in full under exemption 7(A) because at the time of your request, the records were part of an enforcement proceeding where the inspection was ongoing and not yet complete.

OSHA has informed us that the inspection has been closed. Consequently, we are remanding your FOIA request to OSHA to issue a supplemental determination. OSHA will identify, collect, and review all records responsive to your initial FOIA request, issue a supplemental FOIA determination, and maintain a complete FOIA file, including all information withheld, in the event of an appeal. If you are not satisfied with OSHA's supplemental FOIA response, you may file a new appeal as you would any FOIA determination. Your appeal rights will be provided in OSHA's forthcoming decision.

Sincerely,

RAYMOND MITTEN
