Subject: FW: Supplemental Asbestos NESHAP Complaint – Walmart Store #131, Mount Pleasant, Texas – HQ Lead FY25-333810-3712-CV
Date: August 20, 2026 at 7:18 AM
To: Kyle Moring [redacted]

AH

Good morning, Mr. Moring,

EPA has received a 41-page PDF and six appendices. I have included it as an attachment for reference. Because the Asbestos NESHAP program is delegated to the State of Texas, this matter has formally been referred to the Texas Department of State Health Services (TDSHS) under complaint No.149925213.
The information you previously submitted in January and June has been provided to TDSHS, and I will forward the most recent documentation you submitted as well.
For updates regarding the status of the state's investigation, please contact TDSHS directly at AsbestosHelp@dshs.texas.gov or 512-834-6787.

Thank you,
Angela Hays
