RE: Freedom of Information Act Request Nos. 2026-EPA-00386/2026-EPA-02222, Interim Response

Dear Kyle Moring:

This letter concerns the above-referenced FOIA requests, received by the U.S. Environmental Protection Agency (EPA or Agency) on October 23, 2025, and January 8, 2026, respectively.

EPA Region 6 is providing you a release of responsive records. The records provided in this response are available through the EPA FOIAXpress Public Access Link (PAL) https://securefoia.epa.gov/app/ReadingRoom.aspx. If you registered and submitted this request via EPA's PAL, the records can be obtained by signing into the PAL.

The next target date for a release of records is August 26, 2026. EPA Region 6 continues its search and/or review for potentially responsive records and coordination with other offices. This is not a final response. You will receive a final response letter when EPA has concluded its search for responsive records. When your request is closed, you will receive information concerning your appeal rights for any part of EPA's response.

If you have any questions concerning this response, you may contact the EPA Region 6 FOIA Branch manager, James Murdock, at murdock.james@epa.gov or (469)404-9116.
