Mr. Richardson,

Attached is my formal complaint under Tex. Gov't Code § 552.3215 concerning the Titus County District Attorney's Office/Charles C. Bailey, together with the supporting evidence binder.

I also wanted to note that, after reviewing § 552.3215, I understand that a complaint against DSHS, as a state agency, should be sent to the Travis County District Attorney, and that the City of Fort Worth complaint should be sent to the appropriate district or county attorney under the statute. Please let me know whether you would like courtesy copies of those complaints once filed, or whether you would prefer that I route them directly to the statutorily designated offices and provide you copies only for reference.

If helpful, I can also include the counsel/public information contact information I have for DSHS and Fort Worth when I send those materials.

Respectfully,

Kyle Moring
