Record Request
Good afternoon,
Pursuant to Texas Gov't Code ch. 552, please provide Dispatch/911/CAD records for:
Date range: January 1, 2021 through October 18, 2025.
Location filter: Walmart Supercenter #131, 2311 S. Jefferson Ave., Mount Pleasant, TX 75455 (include any alias/geo pointing the CAD uses for this site).
Records requested:
1. CAD event data (exportable format preferred) for any calls/incidents at the location with call types or remarks referencing FIRE WATCH, ALARM TROUBLE, ALARM OUT OF SERVICE, SPRINKLER, SYSTEM IMPAIRMENT, FIRE MARSHAL, PUBLIC ASSIST (utility/water/sewer), or similar. Include fields for Event/Incident ID, date/time stamps, call type, narrative/comments, unit history, disposition, and location.
2. Any incident narratives and unit history logs for those events.
3. Any audio recordings (911 and radio/dispatch) associated with the above events, to the extent retained. If audio retention limits apply, please indicate the retention schedule and whether any responsive audio remains.
4. Any cross-referenced case reports or fire incident numbers generated from those CAD events.
Format & fees: Electronic delivery preferred (CSV/Excel for CAD exports; MP3/WAV for audio; PDF for narratives). Please provide an estimate if costs exceed $100. I accept rolling production. If withholding is asserted, please seek an AG ruling and release segregable portions.

With gratitude,
Kyle Moring
