RE: Texas Public Information Act Request
Incident No. [redacted] *(Child Grooming)*

To Whom It May Concern:

Pursuant to the Texas Public Information Act, Texas Government Code Chapter 552, I respectfully request copies of the following records related to Mount Pleasant Police Department Incident No. [redacted] I am the reporting party in this matter, as reflected in your department's records.

I acknowledge that this is an active investigation and that certain investigative materials may be excepted from disclosure under Texas Government Code § 552.108. For any responsive information you contend is excepted from disclosure and not subject to a previous determination, please request an Attorney General decision under § 552.301. Please release all reasonably segregable non-exempt information, and you may produce responsive records on a rolling basis as they become available.

LEGAL REQUIREMENTS

Please be advised of the following statutory requirements:

- Under § 552.221, you must promptly produce public information (i.e., as soon as possible under the circumstances, within a reasonable time, without delay). - Under § 552.302, failure to comply with these deadlines results in a presumption that the requested information is public.

Thank you for your prompt attention to this request. Please do not hesitate to contact me if you have any questions.
